Fax (734) 394-5183

APPLICATION FOR REVIEW OF ENGINEERING PLANS

Instructions:

Complete this form, and submit an original signed copy to Canton Township Engineering Services along with (A) a complete engineer's estimate of cost that is signed by the civil designer and (B) a complete legal description of the property(s).

Upon review of the engineer's estimate, Canton Township will provide the project sponsor with the Estimated Engineering Review Deposit amount via fax, mail or email. Project sponsor must provide a check to cover the Estimated Engineering Review Deposit, along with two (2) sets of signed and sealed plans for review. Note: The review deposit is based on 2% of the Engineers estimate (The minimum review deposit is \$1,500.00).

Note: The review deposit is based on estimated time and materials to complete the review. An additional review deposit may be required if the time and effort for review exceeds the estimated deposit amount.

Project Name: _____

*Project Address: _____ N S E W _____ Road

Between _____ Road and _____ Road

*** A project address must be obtained prior to submitting the application for engineering review. The review cannot be completed until an address has been issued. If you do not have an address, please contact Planning Services (734) 394-5170.**
